### **Reviews for funding agencies (selection)**

German Science Foundation (DFG), Volkswagen Foundation, NATO Science Committee, Friedrich Ebert Foundation, German Academic Exchange Foundation, Fulbright Foundation,

The Leverhulme Trust, Canadian Research Council, UK Economic and Social Research Council, Swiss National Science Foundation, McArthur Foundation, Netherlands Research Foundation, Rockefeller Foundation

### Practical work

Expert assessments for criminal courts, prisons, and other justice institutions on criminal responsibility, risk assessment/dangerousness of offenders, witness credibility, mental health of refugees, and private law cases; family counselling, therapy and prevention; chartered forensic psychologist (German Psychological Society)

### Research projects

The following list contains grants for research projects. Grants for conference organization, international exchange and traveling are not included. Some of the below research projects were part of two centers for advanced research (“Sonderforschungsbereiche”) of the German Science Foundation (DFG) that received more than 10m Euros each.

- Developmental origins of juvenile delinquency; ca. DM 676,000 (co-applicant; funded by the German Research Council, 1971-1976)
- Organization and personnel development in prisons; DM 1,240,000 (co-applicant; German Research Council, 1975-1980)
- Evaluation of institutional treatment programs for adult offenders; ca. DM 86,000 (German Federal Ministry for Research and Technology, 1982-85);
- Cognitive impulsivity; ca. DM 65,000 (Ministry for Research and Education of North Rhine-Westphalia, 1982-1984)
- Protective factors and resilience in adolescents at high risk for antisocial behavior; ca. DM 1.04 million (German Research Council, 1986-1992)
- Attitudes and subjective theories in the criminal justice system; ca. DM 56,000 (Bavarian Ministry of Justice, 1988-92)
- Residential education as an alternative to pretrial detention for juvenile offenders; ca. DM 48,000 (Bavarian Ministry of Justice, 1994-1997)
- School-bullying, delinquency, and conflict behavior in adolescence; ca. DM 148,000 (German Federal Police Department, 1995-2000)
- Assessment of risk for physical child abuse and neglect in families; ca. GBP 28,000 (Co-operating partner; European Commission, 1997-1999)
- Protective factors of marital quality and stability; DM 196,000 (German Federal Ministry for Family Affairs, Senior Citizens, Women, and Youth, 1997-2001)
- Football hooliganism: Prevalence, origins, and prevention; ca. DM 186,000 (German Federal Ministry of the Interior, 1999-2001)
- Development and early prevention of behavior problems in preschool children; ca. €502,000 (German Federal Ministry for Family Affairs, Senior Citizens, Women, and Youth, 1999-2003).
- Implementation of early prevention programs; ca. €53,000 (German Red Cross, 2004-2006).
- Prevention of antisocial development and promotion of social integration; ca. €495,000 (German Federal Ministry for Family Affairs, Senior Citizens, Women, and Youth, 2003-2008).
- Children who commit acts of serious violence; ca. GBP 56,000 (Oak Foundation, UK; international cooperation project together with the Bridge Child Care Development Service in London and the Center for Family Issues in Athens, 2003-05)

- Meta-analysis of child social skills programs; Testbed Project related to the Campbell Collaboration on Crime and Justice, ca. USD 5,000 (Smith Richardson Foundation, US, 2003-05)
- Taking stock and evaluating family-oriented prevention in Germany; ca. €148,000 (German Federal Ministry for Family Affairs, Senior Citizens, Women, and Youth; 2004-06)
- Development and evaluation of the child and parent training EFFEKT-International; ca. €7,000 (2006-08; German Department for Foreign Affairs)
- Evaluation of the Cropwood Fellowships; ca. GBP 24,000 (2008-09; Barrow Cadbury Trust)
- Improving parenting competences (IMPACT); ca. €200,000 (PI Mark Stemmler; my EFFEKT Project as cooperating partner; European Commission; 2006-09)
- Project on protective and promotive factors in the development of youth violence, ca. USD 14,000 (project member; with D.P. Farrington; U.S. Centers for Disease Control and Prevention, 2008-11)
- Risk and protective factors during resettlement of imprisoned fathers with their families; ca. GBP 338,000 (Big Lottery Fund; co-operation project with the Ormiston Children and Family Trust; 2008-12)
- Strengthening transnational approaches to reducing reoffending (STARR); in total ca. €1.2 Million for the international co-operation project led by the UK Ministry of Justice/NOMS; my share ca. EUR 242,000 (European Commission, 2009-11)
- Evaluation of the project "Promotion of values in families", ca. €70,000 (German Federal Ministry for Family Affairs, 2009-11)
- Evaluation of social-therapeutic treatment of young sexual and violent offenders, €79,000 (together with Martin Schmucker; Bavarian Ministry of Justice; 2011-)
- Strengthening transnational approaches to reducing reoffending, STARR II; ca. GBP 18,000 (Humanities Research Grants Scheme, 2011-12)
- Implementation and evaluation of the EFFEKT Prevention Program; ca. €800,000 (Red Cross Germany, States of Brandenburg, Lower Saxony, North Rhine-Westphalia, Workers Welfare, and other German sponsors; 2008-)
- Strategic targeting of recidivism through evaluation and monitoring (STREAM), international co-operation project led by the UK Ministry of Justice; in total ca. EUR 850,000, my share ca. EUR 162,000; for administrative reasons transfer to de Montfort University at Leicester; ca. €17,000 for work at Cambridge (European Commission, 2012-14)
- Current application: Protective factors against youth violence and recruitment for terrorism; partnership in the international cooperation project 'Modelling the recruitment PROCesses leading to organized crime and TerrOrism Networks' (PROTON); my share ca. €16,000 (application to the European Commission)

### Teaching and student supervision

Approximately 300 undergraduate and postgraduate university courses at the Universities of Erlangen-Nuremberg, Bamberg, Bielefeld, Eichstätt and Cambridge:

- Main topics in the 1970s: personality psychology, research methods, forensic psychology, and educational psychology
- Main topics in the 1980s: psychological assessment, criminological and forensic psychology, personality and social psychology
- Main topics since the 1990s: clinical psychology, assessment, criminology, forensic psychology, developmental psychopathology, and program evaluation.
- Practice-oriented courses at the German Academy for Judges; topics: origins of violence, crime prevention, juridical decision making and punishment (2000-2013)

- Practice-oriented courses in the Federal Department for Migration and Refugees; topics: interviewing, credibility assessment, posttraumatic stress disorder (1998-2005)
- Supervision of approximately 150 empirical Diploma theses (German equivalent to a Masters thesis), ca. 35 Ph.D. and 5 habilitation theses (second Ph.D. for German university careers); most supervisees reached good positions in academia or practice and five became professors.

### **Supervised Ph.D. theses (since 2000):**

- Rebecca Klein (ongoing). Evaluation of a social-therapeutic program for young sexual and violent offenders (Ph.D.)
- Andreas Schwedler (2015 submitted). Criminal justice interventions and resocialization: Analysis of the effects of social therapy and electronic monitoring (Ph.D.)
- Olga Sanchez de Ribera (2015). Analysis of executive functioning among sexual offenders (Ph.D.)
- Thomas Hoegl (2014). Response inhibition, hyperactivity and impulsivity in children with ADHD (Ph.D.)
- Sabine Behr (2013). Dyslexia and social behavior problems in children (Ph.D.)
- Ute Mahr (2011). Development and validation of a clinical assessment instrument on the concept of archetypes (Ph.D.)
- David E. Hopkins (2010). Constriction, psychological isolation and identification with the Hercules figure among angry/hostile adolescent males who have suffered attachment trauma: A personal construct study (Ph.D.)
- Daniela Runkel (2009). Evaluation of a family-oriented prevention program in deprived neighborhoods (Ph.D.)
- Funda Kabacki-Kara (2009). Implementation and evaluation of a preventive parent and child program for Turkish families (Ph.D.)
- Susanne Wallner (2007). Evaluation of the Cracow Instrument for the Assessment of Risk for Violence in Youth. (Ph.D.)
- Stefanie Hacker (2007). Training in problem solving: Evaluation of a social skills program. (Ph.D.)
- Maren Weiss (2005). Quality of live after surgery: A longitudinal study on patients with colon cancer. (Ph.D.)
- Karin Banzer (2005). Ambulatory treatment of mentally-disordered offenders: Evaluation of structural and legal framework, treatment concepts, and alternative measures. (Ph.D.)
- Martin Schmucker (2004). Can treatment reduce re-offending? A study on sexual offenders. (Ph.D.)
- Stefanie Jaurisch (2003). Remembered and actual parenting behavior of mothers and fathers: Inter-generational relations and context factors. (Ph.D.)
- Ute Koglin (2003). Social and emotional development of children with biological risk factors. (Ph.D.)
- Mark Stemmler (2002). The problem of identifying differential developmental pathways: New methodological approaches in the analysis of inter- and intra-individual differences (Dr. phil. habil.)
- Andreas Beelmann (2001): Prevention of antisocial development: Psychological bases and evaluation of early child- and family-oriented interventions. (Dr. phil. habil.)
- Mohamed Ba-Obeid (2001). Personal and family risk factors for juvenile delinquency in Yemen (Ph.D.)

### Organization of conferences

1980s and 1990s: Chair or member of organization committees (selection): First International Conference on Legal Psychology of the German Society of Psychology (Braunschweig, 1985); International Conference on Social Intervention and Prevention (Bielefeld, 1987), Second European Conference on Psychology and Law (Nuremberg, 1990); German-East European Conference on Psychology and Law (Budapest, 1995), 27th Interdisciplinary Conference on Forensic Psychology and Psychiatry (Nuremberg, 1996), International Symposium on the Evaluation of Change in Longitudinal Data (Nuremberg, 1998), and 8th Conference on Psychology and Law of the German Society of Psychology (Nuremberg, 1999).

### *Conference organization in the last ten years:*

- Nuremberg 2015: “Current challenges of psychology and law”; joint conference of the European Association of Psychology and Law, American Psychology-Law Society, Australian and New Zealand Association of Psychiatry and Psychology of Law, and Division of Psychology and Law in the German Psychological Society; ca. 450 participants; funding: various sources
- Cambridge 2012: “The future of criminology: A conference to celebrate the retirement of David Farrington”; ca. 130 participants; funding: Cambridge University
- Cambridge 2009: “Challenging crime: Conference to celebrate the 50<sup>th</sup> Anniversary of the Cambridge Institute of Criminology”; ca. 300 participants; funding: Wakefield Trust and University of Cambridge
- Cambridge 2008: Conference of the European Network of Research Institutes in Criminology (ENRIC) on “Crime and the Community”; ca. 40 participants; funding: Cambridge University
- London 2007: Cropwood Conference “Lost in Transition? Young Adults and the Criminal Justice System”; ca. 120 participants; funding: Barrow Cadbury Trust
- Nuremberg 2006: 46<sup>th</sup> Congress of the German Psychological Society; main theme: “Designing human future”; ca. 2,400 participants; funding: German RScience foundation, State of Bavaria, and private economy
- Nuremberg 2005: Conference on Developmental Psychopathology; main theme: “Identity Problems”, ca. 180 participants; funding: Nuremberg Hospital and private economy
- Nuremberg 2005: 12<sup>th</sup> Conference of the Criminological Society of the German-speaking Countries; main theme: “Criminology and evidence-based crime policy”; ca. 250 participants; funding: German Ministry of Justice and German Science Foundation.
