

Prof. Dr. Guido Hesselmann

Professor of General and Biological Psychology

Education

07/2014	<p>Habilitation in Psychology (Venia Legendi for Psychology, October 2014) Title: "The neurocognition of conscious and non-conscious vision" Title of habilitation lecture: "Is experimental psychology in a crisis of replicability?" Department of Education and Psychology, Freie Universität Berlin, Germany</p>
01/2005	<p>Dr.rer.nat. in Psychology, January Title: "Psychophysics and ERPs in the attention-induced motion blindness paradigm" Institute of Experimental Biological Psychology; Heinrich-Heine-Universität Düsseldorf, Germany</p>
07/2001	<p>Diploma in Psychology, June 2001 Title: "Visual search in a rapid serial visual presentation paradigm" Institute of Experimental Biological Psychology; Heinrich-Heine-Universität Düsseldorf, Germany</p>

Experience

since September 2018	<p>Professor of General and Biological Psychology Psychologische Hochschule Berlin (PHB), Germany</p>
05/2011 – 07/2018	<p>Deputy Research Group Leader; Visual Perception Laboratory Department of Psychiatry & Psychotherapy, Charité Universitätsmedizin Berlin, Germany DFG grant (German Research Foundation) PI: Philipp Sterzer</p>
02/2009 – 02/2011	<p>Postdoctoral Research Fellow/Visiting Scientist Department of Neurobiology, Weizmann Institute of Science, Rehovot, Israel Minerva fellowship (Max Planck Society) PI: Rafael Malach</p>

08/2005 – 12/2008	<p>Postdoctoral Research Fellow Cognitive Neuroimaging Unit, Neurospin CEA/INSERM, Gif-sur-Yvette, France PIs: Stanislas Dehaene & Andreas Kleinschmidt</p>
03/2003 – 10/2003	<p>Visiting Research Fellow F.C. Donders Centre for Cognitive Neuroimaging, Nijmegen, The Netherlands Research grant from the German Academic Exchange Service (DAAD) PI: Ivan Toni</p>

Organizing activities (selection)

40th European Conference on Visual Perception (ECVP); August 2017; Berlin, Germany
Member of the local organizing committee

Symposium organizer
“Recent developments in measuring and testing awareness”
September 2017; ESCOP Potsdam, Germany

Symposium organizer (in collaboration with Marcus Rothkirch, Charité Berlin)
“Action-perception dissociations”; March 2017; TEAP Dresden, Germany

Symposium organizer (in collaboration with André Knops, HU Berlin)
“Between embodiment and neuronal recycling - Contribution of parietal cortex to visual perception”
June 2015; Frankfurt, Germany

Symposium organizer (in collaboration with Marcus Rothkirch, Charité Berlin)
“Measuring visual awareness” symposium at ECVP; August 2014; Belgrade, Serbia

Symposium organizer (in collaboration with Martin Hebart, BCCN Berlin)
“Interocular suppression/CFS” symposium at ECVP; August 2013; Bremen, Germany

Editorial activities

since 2017	Member of Editorial Boards bei Consciousness and Cognition
2017 - 2018	<p>Book editor in series “Current issues in consciousness research” (Morten Overgaard) Title: “Transitions between consciousness and unconsciousness” (to appear in late 2018) Academic Editor bei PlosOne</p>

since 2016

Associate Editor for Frontiers in Psychology
Co-Editor of Research Topic: “Transitions between consciousness and
unconsciousness” (Ebook)

Peer-reviewing activities (selection)

Cortex, Cerebral Cortex, Journal of Neuroscience, Philosophical Transactions of the Royal Society (B),
Proceedings of the Royal Society (B), Trends in Cognitive Sciences, Human Brain Mapping, NeuroImage,
Journal of Cognitive Neuroscience, Visual Cognition
